13 strict quality control process
imparts each CANGAS[®] system
outstanding quality and high
reliability

Key Features:

- Equipped with Screw Compressor, Dryer and Multi-stages Filters, reliable and stable.
- 7*24 hours design, no performance degradation.
- Oil-free reciprocating O₂ Booster.
- Proven Safety Features.
- Plug and Run.
- Low Maintenance.
- Compact Design and Lightweight.
- Portable.

Models and Specification:

CFS-1C 2-4 cylinders/24 hours

Remark: Cylinder: 40Liter
